How to:

TIP

These vases can be decorated in a number of ways. Use the steps below as a decorative guide and mix up the techniques to create a unique combination of your own!

STEP 1

Paint your vase white. Allow to dry. This is not essential but provides a good base for painting.

STEP 2

Paint your vase a bright colour. Allow to dry.

TIP

For less glitter wastage, use a scrap piece of paper folded in half to catch the glitter falling off the vase while decorating. This will make it easy to tip the glitter back into the container ready to reuse!

STEP 3

Use glitter and collage materials to decorate your vase in different ways.

STEP 4

Attach pom poms or rhinestones to your vase with glue.

STEP 5

Draw zig zags, dots, or other shapes on your vase with CleverGlitz.

STEP 6

Cut leaves for your rosettes out of green adhesive felt and attach to your vase.
