How to:

STEP 1

Think about how you would like your bag to look and design a template on a spare piece of paper. We drew a heart and a tree shape.

STEP 2

Use your template to cut out a felt shape. We also cut a smaller heart shape out of Christmas material and attached this to our felt by sewing it on with metallic yarn.

STEP 3

Glue your felt shape to your jute bag using fabric glue.

STEP 4

Add some sparkle to your bag with sequins. Attach with glue.

STEP 5

Add interest by sewing patterns with your metallic yarn. We gave our tree some tinsel!

STEP 6

Your bag is now ready for a gift!
