How to:

TIP

To get started, download the template above.

STEP 1

Cut up the cotton tips into different sizes, you will need four long, six medium and twelve short pieces as well as one full cotton tip.

STEP 2

Use the full cotton tip as a spine. Arrange the remaining cotton tips as ribs, arms, legs and feet. Attach with glue.

STEP 3

Use the template to cut a skull from a piece of paper. Attach to the black paper with glue.

STEP 4

Use a black marker to draw eyes on the skull.
