### Materials:

14042 - Polished Pebbles - Assorted - 1kg Pack

18634 - CleverPatch Air Dry Modelling Clay - White - 1kg Pack

17273 - Pottery Tool Kit - Pack of 8

# How to:

## STEP 1

Using the tools in the pottery tool kit, break off a large piece of clay and roll it into a ball. Mould the ball into a flat oval shape. Think about the size of the pebbles you are using when making your oval shape.

## STEP 2

Push the pebbles into the clay spelling out the words 'Dad rocks'.

## STEP 3

Sit the clay aside to dry for at least 48 hours. Rotate the clay every few hours to ensure it dries completely.
