How to:

STEP 1

Before you start, roughly mark out your animal designs. Use a pencil and lightly draw patterns onto your animals. This step is not essential.

STEP 2

Paint your animals in bright colours and allow to dry.

STEP 3

Using white paint and a fine point paint brush decorate your animals with patterns. Experiment with lines, swirls and dots. Allow to dry.

STEP 4

Attach wiggle eyes to your animals with glue.

STEP 5

Look to our animals for inspiration or come up with your own colour combinations and patterns!
