# How to:

## STEP 1

Research Aboriginal artists and artworks and choose a style you like. Take notice of the colours and patterns used in the artworks.

## STEP 2

Draw or trace a design onto a piece of paper. Using a light box, trace your design onto your bag. Alternatively, draw a design straight onto your bag.

## STEP 3

Paint on your design using fabric paint (or fabric markers) and allow to dry.

## STEP 4

To heat set your design iron the reverse side of your design using a low heat setting for 4 minutes. Adult supervision is recommended.
