- 15800 - CleverPatch Junior Artist Paint - 500ml - Set of 11 colours

How to:

STEP 1

Sketch out your design onto a piece of paper before you start to decorate your shapes.

STEP 2

Once you have a few designs, transfer them lightly onto your shapes using a pencil. This is not essential, but helps with planning your design.

STEP 3

Begin by giving your shapes a coat of white paint. Allow to dry. This is not essential but provides a good base for painting.

STEP 4

Paint your shapes red. Allow to dry.

STEP 5

Gently paint over your shapes in a coat of red glitter paint. Allow to dry.

STEP 6

Use metallic gold or white to paint in the details of your design.

STEP 7

If you are decorating the dragon, don't forget to give him a small wiggle eye. Attach with PVA glue.

STEP 8

If you are decorating the lantern, thread a piece of gold yarn through the hole at the top of the shape so you can hang it up!
