- 10897 - Student Scissors - Pack of 20
- 11775 - Masking Tape - 24mm x 50m
- 15800 - CleverPatch Junior Artist Paint - 500ml - Set of 11 colours

How to:

STEP 1

Blow up a balloon approximately 1/4 full, then tie off in a tight knot.

STEP 2

Grab an egg carton and cut out two individual egg compartments. These will be feet. Tape them to the bottom of the balloon.

STEP 3

Tape the balloon knot down, so it is easy to cover.

STEP 4

From the lid of the egg carton cut two beak shapes (semi circles) and tape to the face of your penguin.

STEP 5

Cut two wing shapes from cover paper and tape to each side of the balloon.

STEP 6

Get ready to cover the balloon all over in Mod-Wrap. Cut thin strips of Mod-Wrap then dip these one at a time into a shallow bowl of warm water. Squeeze out excess water into the bowl before laying over the balloon.

STEP 7

Overlap the layers of Mod-Wrap strips in different directions to build strength. Let the Mod-Wrap dry thoroughly before decorating.

STEP 8

Paint your penguin black, with a white tummy. Paint his feet and beak orange. Glue two large wiggle eyes onto the face above the beak.

STEP 9

Make ear muffs for your penguin. Grab two large pom poms and a chenille stem. Cut the chenille stem in half and glue a pom pom to each end. Bend the chenille stem into a curve and glue the ear muffs to your penguin's head.

STEP 10

Cut a long strip of felt to make a scarf for your penguin. Decorate with sequins and attach with glue. Wrap the scarf around your penguin.

STEP 11

Make a bow tie for your penguin using felt and attach under his mouth with glue.
