Materials:

10254 - Paper Magiclay - White - 240g Pack

10708 - Round Paint Brushes - Assorted - Pack of 30

15800 - CleverPatch Junior Artist Paint - 500ml - Set of 11 colours

How to:

STEP 1

To make your mouse break off the clay as you need it, leaving the rest of the clay sealed and moist.

STEP 2

Roll the clay into a ball first and then roll or mould the clay into shapes to make a mouse.

STEP 3

Look to our mouse for inspiration or come up with your own.

STEP 4

The clay attaches itself easily, to join the clay softly push together. Allow to dry.

TIP

Rotate the clay as it dries to make sure it gets air on every part of the surface and dries completely.

STEP 5

When your clay has dried you can start painting it. Using a small paintbrush add colour and detail to your mouse.
