# How to:

## STEP 1

Use our template provided or come up with your own puppet designs. Let your imagination run wild!

## STEP 2

Cut out and decorate your elephant template. You could colour it in or cut out individual pieces and use textured, patterned or plain paper to create a collage effect.

## STEP 3

Attach the elephant face with glue to the bag.

## STEP 4

Curl the end of the trunk by wrapping it around a pencil.

## STEP 5

The bags feature a flap so you can add a face with a mouth underneath as a second layer.
