TIP

To get started, download the template above.

STEP 1

Use our template provided or come up with your own puppet designs. Let your imagination run wild!

STEP 2

Cut out and decorate your lion template. You could colour it in or cut out individual pieces and use textured, patterned or plain paper to create a collage effect.

STEP 3

Try using collage items like crepe paper for your lion's mane.

STEP 4

Attach the lion face with glue to the bag.

STEP 5

The bags feature a flap so you can add a face with a mouth underneath as a second layer.
