How to:

STEP 1

Paint your box white. Allow to dry. This is not essential but provides a good base for painting.

STEP 2

Using pink paint, paint the top of your box as well as the scalloped edges around each side of the box.

STEP 3

Paint the rest of the sides purple. Allow to dry.

STEP 4

Cut a fun-shaped plaque out of pink adhesive foam. Write 'Ahh-tissue!' on the plaque with a thin tipped black marker. Attach to the front of your box.

STEP 5

Using CleverGlitz, outline your foam plaque, and trace the scalloped edges around your box.

STEP 6

Scrunch up little balls of pink tissue paper to create the flowers and attach to your box with glue.

STEP 7

Cut small leaf shapes out of green self-adhesive foam, and attach them near the tissue paper flowers.
