How to:

STEP 1

Give your crown a coat of brightly coloured paint. Allow to dry.

STEP 2

You may like to add some craft paper. Cut a strip of paper and attach it to the base of your crown.

TIP

For less glitter wastage, use a scrap piece of paper folded in half to catch the glitter falling off the crown while decorating. This will make it easy to tip the glitter back into the container ready to reuse!

STEP 3

Paint any sections you would like covered in glitter with PVA glue. While the glue is still tacky cover with glitter. Allow to dry.

STEP 4

Join the two ends of your crown together with tape. Make sure you measure around your head to ensure it fits.

STEP 5

Decorate your crown with rhinestones. Attach with glue and allow to dry before wearing.
