Materials:

12967 - Porcelain Plates - Pack of 10

13649 - CleverPatch Glass & Porcelain Markers - Pack of 8 Colours

14034 - Cardboard Hands - Brown - Pack of 50

14216 - Micador Stay Anywhere Permanent Pens - Pack of 12

How to:

STEP 1

Using your permanent marker, trace around a paper hand onto the porcelain plate.

STEP 2

Fill in your hand using the markers to create a beautiful and colourful image. Look to our design for inspiration or come up with your own. Allow your design to dry for a minimum of 24 hours.

TIP

Remember when baking your plate, DO NOT pre-heat the oven. The difference in temperature may cause your plate to crack. Instead, put your plate in a cold oven, then turn the oven on.

STEP 3

Once dry, place your plate in a cold household oven. Once the temperature has reached 160°C, bake your plate for 90 minutes to heat set your design.
