How to:

TIP

To get started, download the template above.

STEP 1

Use the template provided to cut out the shapes from black paper. Set aside.

STEP 2

Prepare your cellophane pieces. Cut small squares of yellow, green and blue cellophane. Set aside.

STEP 3

Trace the outer circle from the template onto the paper side of your book covering. Carefully cut out the circle.

STEP 4

Peel the paper backing from the book covering to reveal the adhesive surface.

STEP 5

Stick your black circle and soldier shape onto the book covering.

STEP 6

Decorate the surrounding adhesive area of the book covering with your cellophane pieces. Create a scene by placing the green pieces at the bottom to create grass and the blue and yellow pieces in the sky to create a sunrise/sunset.

STEP 7

Now that your stained glass silhouette is complete, hang it up in the window and see the beautiful image you have created shine through.
