How to:

STEP 1

Begin by gently popping the leaves out of the sheet so that you have a variety of different shapes and sizes.

STEP 2

Arrange your leaves in a cluster in the middle of your cardboard background. Ensure that they are overlapping and pointing in different directions. When you are happy with your arrangement, attach the leaves one by one to your background with glue.

STEP 3

Using a permanent marker, draw your critter's head and feet. You can look to our design for inspiration, or come up with your own!
