### Materials:

16268 -

16478 - Wiggle Eyes - 3cm - Pack of 20

17532 - Felt Sheets - Yellow - Pack of 10

17534 - Felt Sheets - Blue - Pack of 10

## How to:

### STEP 1

Using a ruler, make a line across the bottom of a piece of cardboard. This will be your hat band. Sketch a sun design in the centre of your hat band. Look to our design for inspiration or come up with your own.

### TIP

You might like to glue the felt on to the hat and then trim it to shape after.

### STEP 2

Cut around your sunshine hat and then attach felt pieces with glue. Allow to dry.

### TIP

You could also glue the hat ends together without adding elastic.

### STEP 3

Measure your hat on your head and then staple some elastic to each end of the band.
