How to:

STEP 1

Begin by printing out the activity by clicking 'Download Template' above. This sheet is designed at A4 but you may like to enlarge it to A3 if you find the text too small.

STEP 2

Follow the instructions on the sheet. Plot the points, connecting each point with a line as you go. Continue doing so until you see STOP. Once you see STOP, lift your pen and start the next group.

STEP 3

Once you have completed the puzzle, try adding colour with coloured markers or pencils.

STEP 4

After children have completed these activities, they may wish to create their own designs and test each others skills!

STEP 5

ANSWER: Fish.
