How to:

STEP 1

Download and print out your Paper Dolls – Australian Defence Force Uniforms template. We recommend you print it on cover paper - this will provide a great surface for decorating.

STEP 2

Decorate your templates using markers, pencils or paint. Research each of the uniforms to find out what colours to use.

STEP 3

Cut out each of the pieces and assemble your paper doll. Research each of the different sectors of the Australian Defence Force and learn about their roles as you go through each of the uniforms.
