How to:

STEP 1

Print out your template. We recommend you print it on cover paper. This will provide a great surface for decorating.

STEP 2

Colour in your BLM. We have used watercolour, you can also use pencils, markers or paint. Allow to dry.

TIP

You may wish to decorate the space around the outside of the wreath as well.

STEP 3

Cut out your poppies, leaves and story, then glue onto an A3 piece of cardboard. Glue the story in the centre and arrange the poppies and leaves around the outside to form a wreath.
