STEP 1

Print the template provided and use markers or coloured pencils to decorate the Vampire and Frankenstein. Cut out each piece using scissors. Adult supervision is recommended when using scissors.

STEP 2

Glue your Halloween character to a cardboard roll using a CleverPatch™ glue stick.

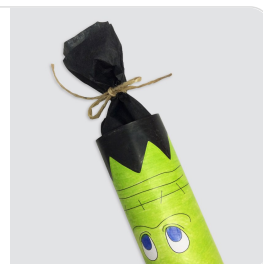

STEP 3

Roll a piece of black tissue paper into a coil and place inside the cardboard roll.

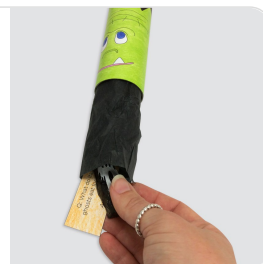

STEP 4

Use a 10cm piece of jute twine to tie the top of the tissue paper together.

STEP 5

Unroll the tissue paper while it is still in the cardboard roll. Add a treat and one of the jokes from the template provided inside the tissue paper and push into the centre so it is in the middle of the cardboard roll.

STEP 6

Tie the bottom of the tissue paper together using another 10cm piece of jute twine. Your Halloween Bon Bon is now ready to pop at your party!
