TIP

Scissors and a paper fastener will be required to complete this activity. For best results, print the template onto cover paper as this provides a great surface for decorating.

STEP 2

Fill in the sections about yourself and your family. Find a friend and fill out the section about them. Compare your answers with them to fill out the 'Differences and Similarities' part of the activity.

STEP 3

Lay the cut out wheels on top of each other with the full wheel at the bottom and push a paper fastener through the middle of both wheels to secure.

STEP 4

Spin your wheel to reveal your Harmony Week Story Wheel!
