How to:

STEP 1

Print out the template onto A3 cover paper. Colour in Dora von Dooze. We have used watercolour paints but you could also use pencils or markers to decorate. Allow to dry if needed.

STEP 2

Use CleverPatch™ Glitter Glue to add some shimmer and shine to your mask! Allow to dry.

STEP 3

Cut out your decorated template. Adult supervision is recommended when using scissors.

STEP 4

Use a CleverPatch Glue Stick to attach your decorated template to the cardboard mask. Allow to dry. Your Dora von Dooze mask is now ready to use!
