

Winter Solstice Activity

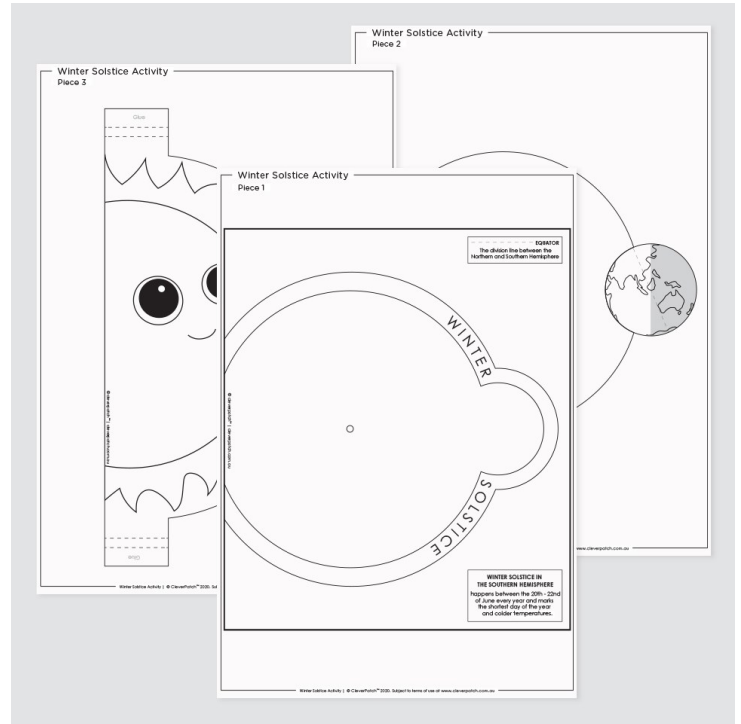

www.cleverpatch.com.au/ideas/by-product-type/paper-and-card/winter-solstice-activity

Winter Solstice is a special event that occurs every year. In the Southern Hemisphere we celebrate Winter Solstice between 20th - 22nd of June, marking the shortest day of the year!

SEARCH TERMS: winter, solstice, activity, template, cut, paste, colour, colour in, colouring, FREE

Materials:

- 11243 - Paper Fasteners - Pack of 100
- 16288 - Cardboard - White - A4 - Pack of 100
- 13974 - CleverPatch Glue Stick - 40g
- 16495 - CleverPatch Double Sided Tape - 9 Metres
- 16523 - CleverPatch Triangular Maxi Coloured Markers - Pack of 10
- 17335 - CleverPatch Acrylic Paint Tubes - 75ml - Set of 12 colours
- 17630 - Faber-Castell Classic Colour Pencils - Pack of 72

How to:

STEP 1

Download and print the templates provided onto cardboard. This will provide a great surface for decorating and sturdiness for construction.

STEP 2

Decorate the 3 different templates using your favourite craft materials. Allow to dry if needed then cut around the thick black line of each piece. Adult supervision is recommended when using scissors.

STEP 3

Attach piece 2 on top of piece 1 by aligning the small centre circles and pushing a paper fastener through the middle. You may need to pierce each hole individually first using a pin and then align. Make sure piece 2 can turn freely.

STEP 4

Fold along the dotted lines on piece 3.

STEP 5

Place double sided tape or glue where the word 'Glue' is written on piece 3. Attach piece 3 to piece 1, making sure it is aligned to the edges. You will also need to align it to the left side of piece 1 so it sits above and covers most of piece 2.

STEP 6

Your activity is now ready to help you learn all about Winter Solstice in the Southern Hemisphere!
