

Let's Shell-ebrate Science Week 2020

www.cleverpatch.com.au/ideas/by-product-type/paper-and-card/let-s-shell-ebrate-science-week-2020

A fun printable to get involved with Science Week 2020 - let's shell-ebrate!

SEARCH TERMS: science week, science, deep blue, crab, beach, under the sea, ocean

Materials:

- 10897 - Student Scissors - Pack of 20
- 15173 - CleverPatch Glue Dots - Permanent - Pack of 300
- 16288 - Cardboard - White - A4 - Pack of 100
- 19012 - CleverPatch Watercolour Disc Set - Pack of 24

How to:

STEP 1

Download and print the free templates provided onto cardboard. This will provide a nice surface for decorating.

STEP 2

Use watercolour to decorate the templates then allow to dry.

STEP 3

Cut out the templates carefully with scissors. Be sure to cut along the solid lines of the template making sure to cut down the lines near the crabs eyes. Adult supervision is recommended when using scissors.

STEP 4

Pull the two pointy ends of the crabs face towards each other so they meet in the centre. Make sure the middle flap stays underneath the 2 flaps. Secure them at the middle point using glue dots. This will give the crab a 3D look!

STEP 5

Fold along the dotted line of the sandcastle so that it stands up.

STEP 6

Put your crab and sandcastle together and it's time to SHELL-ebrate!
