

'Piranhas Don't Eat Bananas' Peg Piranha

cleverpatch.com.au/ideas/details/peg-piranha

Brian is not your regular Piranha! Instead of eating feet he eats beet! Instead of eating knees he eats peas! He loves his vegetables and that's what makes him so adorable. Make your very own mini piranha and have a fun time chomping down on unusual food!

Based on the book *Piranhas Don't Eat Bananas* written and illustrated by Aaron Blabey.

How to

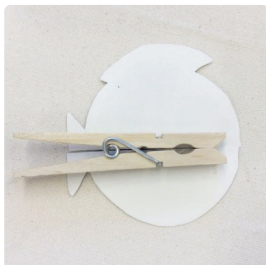

1 Print off the piranha template provided.

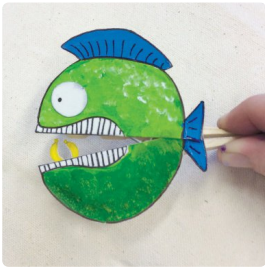

2 Bring your piranha to life using coloured paint and a fine tip marker. Allow to dry.

3 Once dry, carefully cut out your piranha. You should have 2 pieces.

4 Glue the pieces to each side of the peg and allow to dry.

5

Test out your piranha to make sure his chomping mouth opens and shuts.
