

Cartesian Plane Grid

Plot the points in the order given and join them with the line segments to reveal an image!

ANSWER: Fish

Plot Points - x, y

Follow the number lists downwards and keep connecting the points until you see **STOP**. Then start the next group.

-8, 0	4, -11	-4, -11	-2, 16	-3, 1	
-7, 2	0, -10	-6, -5	-2, 18	-1, -2	8, 4
