“Like Eagles, Boomerangs can ‘fly’ - I felt a feather-like pattern would be fitting to mirror a flying Eagle.”

Indigenous Designed Boomerang Puzzles – Connection Circle Pattern

Print, colour then cut out this template
to use as your puzzle.

“Boomerangs are a tool for providing food. Food connects people to the land and to each other. The connecting circles are the connection, while also telling the story of how a Hunter would travel to different hunting grounds to find a meal.”
