

Pop Up Flower Card

1. Colour in each template.

2. Cut out the card insert on page 2 and fold down the dotted line (design facing in). Then cut the centre two lines and fold the tab inwards.

3. Cut out the extra flowers on this page and gently fold upwards for a 3D effect. Glue onto the flower bunch. Next, cut out the flower bunch and fold in half. Glue each side to either side of the tab.

4. Cut out the card on page 3 and fold along the dotted line (design facing outwards). Glue the card insert inside your card. Allow to dry.
