

National Numeracy & Literacy Week Activity

- Colour in the die template.
- Cut it out along the solid lines, fold along the dotted lines and construct using glue to hold it together.
- Use the die to complete the activity sheet and construct your Monster!

National Numeracy & Literacy Week Activity

Roll the die and fill in the chart to discover your Monster!

You can fill in as many of the features as you like to work out what your Monster will look like.

You could even add an equation next to each feature to extend the math! e.g. Die roll $\times 2 - 3 =$ Number.

FEATURE	NUMBER	FEATURE	NUMBER
