

ESCAPE PLAN STEPS

1. Help those in immediate danger.
2. Close the door to stop the fire spreading.
3. Get down under the smoke and go outside.
4. Go to your meeting place. Do NOT go back!
5. **Call Triple Zero (000) from a safe location.**

DRAW YOUR HOMES ESCAPE PLAN AND MEETING PLACE HERE

A large grid area for drawing a home escape plan and meeting place. The grid is composed of small squares and is intended for a hand-drawn diagram of a home, showing escape routes and a designated meeting place.
