

Lunar Zodiac Wheel

Use the instructions and templates below to complete your very own Lunar Zodiac Wheel!

- 1 Print the template onto cover paper. This provides a great surface for decorating.
- 2 Decorate the wheels however you like. We have used coloured markers, pencils and glitter glue. Allow to dry if needed.
- 3 Cut out the wheels. Adult supervision is recommended when using scissors.
- 4 Lay the cut out wheels on top of each other, making sure the wheel with your name is on top. Push a paper fastener through the middle of both wheels and secure.
- 5 Spin your wheel to explore the different signs of the Lunar Zodiac and their corresponding years.
