

# New Year Resolutions Chatterbox

## Instructions:

1. Decorate the chatterbox template below. Be sure to write your New Year resolutions in the spaces provided.
2. Cut out the chatterbox. Adult supervision is recommended when using scissors.
3. Start with your design facing down. Fold the square in half, corner to corner, open it back out and repeat with the opposite corners.
4. Fold each of the corners into the centre point to create a smaller square.
5. Fold this smaller square in half to create a rectangle and then open back out.
6. Flip the square over to the opposite side.
7. Fold each of the corners into the centre to create another smaller square.
8. Fold the square in half to make a rectangle. Unfold, spin the square 90 degrees and fold in half again to create a rectangle. Unfold back to the square.
9. Now the folds have been made, hold the rectangle with your left hand and slide your thumb and pointer finger up and underneath the two flaps on the right side. Wiggle your fingers and the paper should bend inwards.
10. Do the same thing with your left hand on the left hand side of the rectangle. Your chatterbox is now ready to use. Play it with your friends and share your resolutions!
